

Rodizio - a South American speciality

What does **RODIZIO** mean? Many types of meat are seasoned according to an old gaucho recipe and flame-grilled on large rotisseries. Once the meat is tender and juicy, our „cortadores“ - modern gauchos - make their rounds and slice the meat directly from the skewer onto your plate. We always serve a variety of select side dishes and fresh seasonal salads to accompany the meal. You eat as much as you like and enjoy South American music as you dine.

**One thing's for sure...
„You can't describe it; you simply have to experience it.“**

You'll start the Rodizio with a fresh, crisp salad from our ample salad bar. Then you'll enjoy our premium, grilled Rodizio meat specialties served with various side dishes.

What's more: **Your appetite determines the portions!**
You'll love it!

all you can eat!

We begin serving Rodizio at 6:00 pm
